STATUS INQUIRY

Sir:

Applicants respectfully request clarification of the status of the above identified application.

On December 09, 2005, applicants submitted a request that the period for reply to the Office action mailed on June 02, 2005, be reset because the respective Office action had only been received by applicants' representative on December 09, 2005. A copy of applicants' respective request as down-loaded from the Private PAIR web site of the U.S. PTO is herewith enclosed.

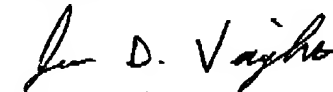

Applicants have not received a reply to said request made on December 09, 2005, nor is there any indication on the Private PAIR web site of the U.S. PTO that the U.S. PTO issued a reply in light of applicants' request.

Early action by the U.S. PTO would be greatly appreciated by applicants' and their representative.

Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees, to Deposit Account No. 14.1437. Please credit any excess fees to such deposit account.

REQUEST TO RESET A PERIOD FOR REPLY
DUE TO LATE RECEIPT OF AN OFFICE ACTION

Upon speaking to the Examiner in this case and reviewing the Patent Office's PAIR system on December 9, 2005, it has come to the undersigned's attention that an Office action was mailed in this case on June 2, 2005. However, that communication was not received by the applicants. Accordingly, applicants request the Office to re-mail the Office action of June 2, 2005 and reset the period for reply thereto.

A search of the file jacket and docket records indicates that the Office action of June 2, 2005 was not received. A copy of the file jacket and the docket record where the non-received Office communication would have been entered had it been received and docketed (September 2, 2005) is attached.
